

## Our Mission

We work collaboratively with employers and jobseekers to understand, advise and ultimately make a long-term positive impact for all involved

## Our Purpose

Delivering authentic recruitment solutions built on honesty, pride and a desire to constantly evolve

## Our Values

Centred around our people and their needs for us to realise potential, be authentic in how WE Talent achieves this and dedicated until the job gets done

## Working in partnership with us includes:

- Tailored advice and support from your WE Talent Manager
- Assistance with writing role descriptions (on request)
- Guidance on salaries and benefit packages based on our market knowledge
- Tailored job adverts
- Full screening, assessment and selection of candidates
- Eligibility to work checks
- Management of the interview process including preparation of interview questions (if required) and full feedback
- Facilitation of testing (on request)
- Interview facilities available (on request)
- Consultation on the offer and package including negotiation and counter-offer discussions
- Advice on successful onboarding
- Full and regular aftercare

WE Talent has a range of pricing options, which we can tailor to your needs.
